# **GRADUATE COURSES & CAREERS**

at Illinois Institute of  
Technology, USA

ILLINOIS INSTITUTE  
OF TECHNOLOGY

## **TOPICS**

**01**

### **WHY CHICAGO/USA**

From its subway to the tops of its skyscrapers, our hometown of Chicago is a friendly, exciting global city with a spirit and style all its own. Less than a mile from beautiful Lake Michigan, our historic Mies Campus was voted as one of the country's "most beautiful college campuses."

**02**

### **ILLINOIS INSTITUTE OF TECHNOLOGY FACTS AND FIGURES**

- ★ #1 In the Chicago Region for Occupational Earnings Power - The Brookings Institution
- ★ #42 Best Value University - U.S. News & World Report
- ★ 90.5% Career Placement Rate - Illinois Tech's 2020 graduates reporting

**03**

### **OPPORTUNITY + VALUE AT ILLINOIS INSTITUTE OF TECHNOLOGY**

Competitive scholarships plus high starting-salaries add up to significant ROI for Illinois Tech graduates.

**04**

### **ELEVATE YOUR FUTURE**

Our unique Elevate Your Future program guarantees you hands-on experiences, a personalized academic and career plan, and the twenty-first century skills to achieve career success.

- ★ How students take part in guaranteed experiences?
- ★ How Illinois Tech creates a guaranteed "Elevate Your Future" plan for every student?
- ★ How Illinois Tech works with students to develop guaranteed "Job Readiness"?

**05**

### **GRADUATE ADMISSION INFORMATION**

More than half of Illinois Tech graduate students call a country other than the United States their home. As a graduate student on our international campus in Chicago, you will receive a world-class education and work alongside renowned faculty mentors. You will have the freedom to apply your education to discover solutions to real-world problems. And you'll experience all of this within an environment that is welcoming and diverse.

- ★ Admission Dates and Deadlines
- ★ Application Requirements and Checklists
- ★ Scholarships and app fee waivers
- ★ Meet our team in India
