CENTRE FOR DEVELOPMENT OF COMMUNICATION SKILLS

Language is essential for expressing ideas, opinions, views, emotions etc. It is an effective means to effective leadership. To foster this, MRECW has established an exclusive CENTRE FOR DEVELOPMENT OF COMMUNICATION SKILLS to bring about a sea change in the methodology of teaching, evaluation and designing the language curriculum to suit the various levels of students.

The department offers training for the prestigious Business English Certification by Cambridge University, London, U.K. during II B.Tech by allocating 2 extra periods every week in the regular Time-Table. After training the students are sent for Certification Examination. So far, 150 students are BEC Certified.

The Centre focuses on

- Time Management
- Inter-Personal Skills
- Interview Skills.
- Presentation Skills
- Big –Fight (Debate)
- Just A Minute
- Group Discussion
- Problem Solving
- Communication Skills
- Role Model Sessions
- Soft Skills
- Team Building
- Adapting to Corporate Culture

The centre also concentrates on improving the soft skills of the budding engineers by organizing various workshops. In these workshops, comprehensive and creative topics are chosen and with the help of innovative learning aids workshops are being conducted by eminent speakers from EFLU and British Council.
