March 17, 2019

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + \left(S_t - S_q\right)\frac{\left(M - M_q\right)}{\left(\overline{M}_t - M_q\right)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to $\overline{M}_t$

In the GATE 2019 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

XE: Engineering Sciences
A − Engineering Mathematics (compulsory)
B − Fluid Mechanics
C − Materials Science
D − Solid Mechanics
E − Thermodynamics
F − Polymer Science and Engineering
G − Food Technology
H − Atmospheric and Oceanic Sciences

XL: Life Sciences
P − Chemistry (compulsory)
Q − Biochemistry
R − Botany
S − Microbiology
T − Zoology
U − Food Technology

Graduate Aptitude Test in Engineering (GATE) 2019 was organized by Indian Institute of Technology Madras on behalf of the National Coordination Board (NCB) − GATE for the Department of Higher Education, Ministry of Human Resource Development (MHRD), Government of India.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper- delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand**.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

UMSL | Graduate School

January 29, 2020

Dear Sai Laxmi Prasanna B,

Congratulations on your acceptance to the University of Missouri-St. Louis Graduate School! We were impressed by your academic achievements and believe strongly in your potential for continued success. We are happy to inform you that you have been admitted provisionally to the Computer Science MS program in Graduate Computer Science for the 2020 Fall Semester. Your admission is considered provisional until you submit the following: Official final individual (semester-wise) mark sheets and degree certificate in an envelope bearing MRCW's stamp across the sealed flap. You must provide this before the start of classes.

All visa-holding international students are required to attend an International Student Orientation. Most new international students at UMSL are required to take the English for Academic Purposes (EAP) proficiency exam during orientation (make-up EAP exams will be conducted during regular orientation times). This exam must be completed before students can finalize their course registration. Depending on the results of the exam, students may be required to enroll in specific EAP courses during their first year at UMSL. The regular graduate tuition rate is accessed for EAP courses and these courses will not apply towards a graduate degree program.
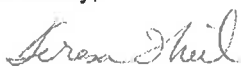

Based on the information that you provided on your application, you are being considered a Non-Missouri Resident and will be assessed non-resident fees. Please refer to the Graduate School website at www.umsl.edu/gradschool - Prospective Students tab - Funding Graduate School page, for information that may help to reduce the cost of non-resident fees.

A Single Sign-On ID (https://password.umsl.edu/) is assigned by the University to all admitted students. Once you have activated your SSO ID, you will be able to access Canvas (https://canvas.umsl.edu), MyView (https://myview.umsl.edu), and your UMSL email account (http://mail.umsl.edu). These accounts are created for you approximately three days after you have been admitted.

The Graduate School reserves the right to withdraw any offer of admission if final records fail to show completion of courses and/or degrees required for admission, if the admission decision was based on inaccurate or falsified information or if you fail to maintain satisfactory scholastic standing. Admission may also be withdrawn should it not be possible to determine the veracity of educational documents that have been submitted as evidence of academic preparation.

We do extend our best wishes for success in your graduate program. Please contact the Graduate Program Director with any questions.

Sincerely,

Teresa Thiel
Senior Director of the Graduate School

03/09/2020

Dear Koduru Teja Sree

Congratulations! On behalf of Southern Arkansas University, I am pleased to offer you unconditional admission to the School of Graduate Studies. This letter will serve as your official letter for classes beginning **May 24, 2020 for Summer 1 2020** .

Please be sure to log in to Online Application portal to view:
- Post-decision procedures
- Orientation date: **May 19, 2020**
- Travel FAQs

Once again, congratulations on your unconditional admission. We are excited to have you on our campus. We look forward to seeing you and wish for safe travels!

Should you have any questions, please log into your Online Application portal.

Sincerely,

Talia Jett, Admissions Coordinator
Graduate Admissions, School of Graduate Studies

March 15, 2020

Dear Jahnavi.Y,

Congratulations on your admission to The University of Texas at Dallas to the Master of Science in Systems Engineering and Management program for the Fall 2020 semester! We share your excitement as you begin this new stage in your education.

To accept your offer of admission and begin the steps toward enrollment, visit utdallas.edu/graduate-next-steps. At UT Dallas, we promise you a welcoming environment, intellectual challenges, excellent faculty and a diverse University family.

Please contact the Systems Engineering program directly to determine what additional conditions must be met to enroll. All required supporting documents must be received by the University prior to registering for classes. Contact information for the Department of Systems Engineering is located at syse.utdallas.edu/ourteam.

Your out-of-state non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270 or residency@utdallas.edu.

Our faculty and staff look forward to welcoming you to UT Dallas.

Sincerely,

Stephen Yurkovich, Ph.D.
