OBC CELL

The OBC Cell in Malla Reddy Engineering College for Women was established in 2010 with the purpose to empower the OBC students. The college takes special interest in facilitating financial support to students from these communities from government agencies and other sources. The cell is always engaged to solve the various problems of OBC students.

Functions:

- To enhance equal opportunities for education of OBC students.
- To counsel and guide OBC students on various issues and help them to manage academic and personal demands of college life effectively.
- To ensure provisions for an environment where all such students feel safe and secure.
- To provide the mechanism to redress the grievance of OBC students, if any.
- To arrange for special opportunities to enhance the career growth of these students.
- To encourage enrolling for career orientation programmes, this would empower and equip them with the necessary skills to choose a career option.
