No.: MRECW/POLICY/JAN-2018/01

Merit Scholarship Policy

A Scholarship in the real sense of the word is financial aid given to a student because of academic merit with the purpose of encouraging such students in their academic pursuits. A number of scholarship schemes are sponsored by the Government of India and the State Govt. of Telangana without losing sight of the main purpose i.e. giving financial aid on the basis of merit. The Government of India judiciously recognizes the financial burden entailed on parents/guardians belonging to Scheduled Castes and Scheduled Tribe, who desire that their children/Wards continue and complete their education so as to ensure their future jobs and realization of their aspired careers. The diversity that makes up the fabric of our nation cannot overlook the fact that there are sections of society that need extra-financial boosts in order to ensure a gradual but steady up- liftment through education. The minority status of a number of communities in the country are also given due consideration through different scholarship schemes sponsored by the Ministry of Minority Affairs, Government of India. The benign Government of India and the State Government of Telangana desire that students from all strata of society be given opportunities to empower themselves through education. This will lead to an enhancement of the chance of their being employable and ideally to realize a pan socioeconomic parity.

Apart from the above, the Institute has merit Scholarship available to students based on academic merit.

OBJECTIVE:

To provide Merit Scholarships for academic toppers as an encouragement.

SCOPE:

The merit scholarships are provided based on the performance as indicated in the exams for the UG and PG in the respective Academic Year.
