ABOUT MRGI

Situated away from raucous sounds of Hyderabad city, MRGI epitomizes technocracy at its best. Being one of the largest campuses in Telangana State, MRGI promises eventful student oriented learning. The founder chairman Sri.Ch.MallaReddy began the journey as an educationalist to form the bridge between society, industry and academics. He is an unassuming dynamic leader with a keen interest in changing trends of higher education and student's employability in India & abroad. The diverse and enormous growth of the group unravels his realistic vision to cater to the needs of students in all the areas of education. Education at MRGI brings all round and holistic development in students. Today MRGI has become a major learning centre with 35 institutions offering Engineering, Medical, Management, MCA and Pharmacy courses.

ABOUT FDP

Value based education has become an integral part of the National Education Policy 2020. Human Values and Ethics define the quality of a person or an organisation or society at large. Educational institutions play a critical role in building an ethical society. Basic human values refer to those principles which are at the core of being human. The values which are considered basic inherent values in humans include truth, honesty, loyalty, love, peace, etc. because they bring out the fundamental goodness of human beings and society at large. Our values provide understanding of attitudes, motivation. The fundamental character of children are formed in educational institutions. The Human Values and virtues orientation implemented and practised in Higher Educational Institutions (HEI) heavily influence the future generations

OBJECTIVES

- To introduce professional Ethics and Human Values to the faculty
- To solve problems related to ethical dilemma, conflict of interest and knowledge about whistle blowing.
- To resolve the moral issues, ethics in teaching profession.
- To support dedicated and devoted faculty members becoming inspiring and effective role models.
- To make the faculty to understand consequences of plagiarism and how to carryout quality in research and follow ethics.
- To educate faculty on environmental ethics, computer ethics, corporate ethics, and business ethics.
- To create ethical vision and achieve harmony in life by understanding the values from Ramayana and Mahabharata.
- To understand the implications of ethics in family, organisation, and society to stay with harmony and peace..

Topics to be covered

- Need for Human Values & Professional Ethics
- Universal Human Values for a Holistic Education: Importance of Harmony, Happiness for Professional and Personal Growth
- Ethics in competent research: Challenges of academic integrity in the time of Information technology
- Rubrics for evaluation Human Values and Professional Ethics
- Implementation plan of action to inculcate human values and professional ethics in higher education
- Moral and Ethical Responsibilities of teacher: Vision of NEP 2020

Expected Outcomes

- To analyze the human values & Professional Ethics
- To design & develop the learning process for holistic development for building human values and professional ethics
- To interpret on concepts of justice and fairness, Governance, peace, truth, sacrifice, service, respect and integrity
