## ABOUT MRGI

Situated away from raucous sounds of Hyderabad city, MRGI epitomizes technocracy at its best. Being one of the largest campuses in Telangana State, MRGI promises eventful student-oriented learning. The founder chairman Sri.Ch.Malla Reddy began the journey as an educationalist to form the bridge between society, industry and academics. He is an unassuming dynamic leader with a keen interest in changing trends of higher education and student's employability in India & abroad. The diverse and enormous growth of the group unravels his realistic vision to cater to the needs of students in all the areas of education. Education at MRGI brings all round and holistic development in students. Today MRGI has become a major learning centre with 3 Universities and various institutions offering Engineering, Medical, Management, MCA, Dental and Pharmacy courses.

## ABOUT FDP

The Faculty Development Program (FDP) titled "AI Stack-GenAI-AgenticAI" is designed to provide faculty Agentic AI refers to AI systems designed to act autonomously, adapting to real-time information and solving multi-step problems towards a defined objective with minimal human intervention. GenAI focuses on generating new content, like text or images, based on learned patterns. The AI stack is the underlying infrastructure, including tools and libraries, that enables the development of GenAI and agentic AI applications.
